

Privacy Policy

This privacy policy sets out how Groupe CII Technologies uses and protects the information you provide when you use this site.

Groupe CII Technologies is committed to protecting your personal information. Since we ask you to provide certain information by which you can be identified when using this site, we want to assure you that it will be used in accordance with this privacy policy.

Groupe CII Technologies may modify this policy at any time; this page will be updated to reflect any changes.

This Privacy Policy is effective as of April 10, 2024.

Data collected

We may collect the following information:

- Name and first name;
- Communication information such as email address or telephone number;
- Demographic information such as postal code (geographic location), preferences and interests;
- Site navigation information.

How we use this information

This information helps us know and understand your needs and provide you with better service. The information is used for the following reasons:

- Record keeping;
- Improvement of our products and services;
- Improved navigation and SEO;
- Security.

To prevent unauthorized access or disclosure, we have put in place physical, electronic and managerial procedures to safeguard and secure the information we collect online.

Use of cookies

A cookie is a small file that asks to be placed on your computer's hard drive; it is added only if you allow it. A cookie makes it possible to analyze web traffic or to know when you visit a particular site. Cookies allow web applications to respond to you as an individual. By gathering and remembering information about your preferences, applications can tailor their operation to your needs.

We use traffic cookies to identify which web pages are used. Analyzing the data collected allows us to improve our site and adapt it to the needs of our customers. We use this data for statistical analysis and then delete it from the system.

Cookies help us make your visit to the site more useful and enjoyable; we can determine which pages you find useful or not, for example. These files do not give us access to your computer or any information about you, other than what you choose to share with us.

You can accept or decline cookies. Most web browsers automatically accept cookies; you can usually change your browser settings to refuse them. Refusing cookies, however, prevents you from taking full advantage of your visit to the site.

Links to other sites and pages

Our site may contain links to other sites of interest. Please note that we have no control over the sites to which you will be redirected when you use these links. We cannot be responsible for the protection and privacy of any information which you provide while visiting such sites and they are not governed by this privacy statement. We urge you to exercise caution and read the privacy policy of the sites in question.

Control of your personal information

We do not sell, assign or distribute your personal information to third parties unless we have obtained permission from you or are required by law to do so.

You may request details of the information we hold about you under the Privacy Act. If you would like a copy of the information held on you, please send us a message at info@groupecii.com.

Please email us at the same address if you believe that the information we hold about you is inaccurate or incomplete. We will promptly correct any inaccurate information.
